WORK EXPERIENCE

String Consultants   Erode, TN
UI/UX Designer Intern   Feb 2024 - Present
- I am working on Figma, Canva and Wordpress.
- I have created and modified a design for a product called organflow.
- I have created a website for organflow product with wordpress.

PROJECTS

Business card design   Mar 2024
- I made a business card design.
- I have used the figma and canva to create the business card design.

Music Concert Website   Feb 2024
- I made a music event website with ReactJS (HTML, CSS, JavaScript, Bootstrap, and jQuery).
- Its sections include home, events, contact, login, and sign-in. It teaches me about ReactJS, HTML, CSS, JavaScript, Bootstrap,and jQuery.

My Portfolio   Dec 2023
- I designed a portfolio using HTML, CSS, and JavaScript.
- It has sections such as home, about, skills, projects, and contacts. It allows me to promote my initiatives and expertise.
